Message from the Mangaka

I recently began to drink Moromi vinegar for my health. Though I don't care for sour things, it's been hard to put it down ♥ I've also gotten into eating brown rice, too. I should be healthy now. And I should be able to do a lot of work... right? (Laughs)

Toujou Kumiko
Souko's older sister and Sougo's colleague. She has feelings for Sougo.

Uedo Sougo
Popular teacher who teaches social studies. He has a tattoo of a cross with wings on his back.

Toujou Souko
A 16 year-old high school student in love with Sougo. She has a congenital heart disease.

♥It's been a month since Souko, a high-school student, enrolled in the Catholic girls' school, Yurigaoka Girls' Academy. Burdened with the fact that she'll die before she reaches 17, Souko wants to experience true love to give her life meaning.

♥During school hours one day, one of Souko's teachers, Ueda-sensei, catches her performing oral sex on her boyfriend. Ueda-sensei tells Souko that she should wait to experience her first time with someone she truly cares about.

♥After Ueda-sensei lectures her, Souko finds herself very attacted to him. However, he refuses her advances and insists on keeping their relationship on a teacher-student level. It turns out, Ueda-sensei has a tragic past. His younger sister died in an accident and he blames himself for her death.

♥After learning about his painful past, Souko comforts him. In spite of his reservations, he begins to fall in love with Souko for being so caring.

♥When he learns of Souko's illness from her older sister, Kumiko, Ueda-sensei finally decides to answer Souko's feelings. What will happen next...?!

WHAT'S GOOD FORTUNE? WHAT'S BAD FORTUNE? NO ONE WILL EVER KNOW THE ANSWER
IS IT A SIN TO EXPERIENCE ONE MOMENT OF BLISS?
IF I'VE HAD TO SUFFER FOR 16 YEARS OF MY LIFE,

Um... So about Art Girl.

This series gets much more graphic. Please heed our warning that this series is NOT for underage readers. If you are underage, STOP reading NOW!

This is Condensations second Suzy Amiko project. The other is Luv Chic. While Luv Chic ran in Petit Comic (a magazine for young women) and Art Girl ran in Cheese! (a magazine for older teen girls) Art Girl is much more explicit. Sex, rape, death, and drugs are just the tip of the iceberg. This is why you should not be reading this if you are under 18.

That aside, Sougo is pretty hot isn't he?

Sugi Emiko-Senri, who enjoyed a successful career as a mangaka in our magazines, such as Cheer!, Shoujo Comic, Chao, Petit Comic and Academic Gear, passed away on February 10, 2007 of illness.
